# School Site Mission

Rise Kohyang Middle School is a leading provider of integrated, educational programs and services, from 6<sup>th</sup> through 8<sup>th</sup> grade, in the Koreatown/Downtown Areas of Los Angeles.

The school's curriculum is designed to develop young leaders who will rise to serve their community as they grow. Students will be required to complete a digital portfolio that highlights their academic accomplishments. Ms. Eliza Kim, the founding principal of Rise Kohyang Middle School, believes the combination of strong leadership development and oral presentation skills will help students succeed in high school and college as well as in the competitive job market after college.

Rise Kohyang is loosely translated as "uplifted, interconnected and strong community ties." Kohyang refers to the indescribable pride and reverence Koreans feel for their hometown, the place that helped shape their childhood experiences and identities. As Ms. Kim says of the school's name, "One of my goals has come true because I am now giving back to the community that I grew up in. I want my Kohyang to rise by serving the educational needs of the families that live in Koreatown. This school will produce scholars, leaders and advocates who will hopefully, one day, give back to their own Kohyangs."

# Assessment of the School's Current Status

RKMS is currently located in a business plaza at 3020 Wilshire Blvd., Los Angeles and occupies half of the second floor of the commercial building. Wilshire Blvd. residential streets, and some small businesses surround the campus. RKMS serves the community of Koreatown and the greater Central Los Angeles Area. 95% of the student population resides within this geographic area and is composed of families that vary in socioeconomic backgrounds.

**The 2021 Fall Ethnicity Survey reported the following percentages:**

Rise Kohyang Middle School

18.56% Asian 4.99% Black 72.02% Hispanic/Latino 0.55% Am Indian 2.21% Filipino  
0.55% White 1.11% Other

The administrative staff, faculty, and operational staff work hard to maintain a safe school environment. All staff members are involved in enforcing the codes of conduct and dress. Through the work and support of our custodial staff, plant manager, community agencies, and an encompassing culture of respect for facilities, there has been little to no graffiti and vandalism on campus.

Supervision of the campus is the responsibility of the entire administrative staff, which includes the Principal, Student/Parent Affairs Manager, the Office Manager, Dean of Operations, Counseling staff, IT Coordinator, Data Coordinator, and Plant Manager. Teachers are asked to assist in emergency situations.

Because RKMS shares the same entry to the parking lot with local businesses, the general parking area of the building has had some issues with uninvited visitors and interlopers (**the majority of issues center around the area of the parking lot**). Fortunately the school is located on the second floor and the site can only be accessed through three main doors. One can gain entry through these access points only after being buzzed in by an employee who monitors arriving guests via a video feed. Employees of Bright Star Schools are required to wear employee IDs.

RISE has been in constant communication with the DOT and the City of Los Angeles. Together we have been able to install student crosswalks in the surrounding residential streets along with a three-way stop sign on the corner of Sunset Pl and Wilshire Pl. These key additions to the surrounding environment will improve the safety of students and their families commuting to and from school grounds.

The physical plant is well maintained and supervised. We have access to an outside area with a total of 1300 sq. feet. This area, located right by the school cafeteria, is protected by an eight-foot high fence that provides a safe boundary for the students. The inside of the campus has had great support from beautification projects sponsored by Solar Reserve. This organization has not only helped us in the past, but is set up to help warm up our campus, with murals, paint, lighting and new furniture within the next couple of months. Clean-up

projects in conjunction with community efforts have also been important in creating a safe and inviting appearance to the campus.

The campus has security cameras that monitor each access door and key walkways and corridors throughout the entire campus. A security Guard has been hired to ensure that transients and other unwanted persons do not make contact with our students, during, PE, arrival and dismissal. Close liaison with our local police division is maintained and instructions to the faculty and staff have been given regarding specific procedures to be followed when on campus after regular hours.

# Emergency Response Procedures

For specific details, refer to Rise Kohyang Middle School's Emergency Response Binder.

# Notifying Teachers about Dangerous Pupils

In order to fulfill the requirements made by Education Code 49079 and Welfare and Institutions Code 827 that state teachers must be notified of the reason(s) a student has been suspended. Bright Star Schools has incorporated this notification into the existing "AERIES Attendance Reporting screen". On the daily attendance report, when a student is suspended, the screen will show an "\*" or "SSA" next to the student's name based on whether it meets the SSA guidelines. The teacher can access the suspension by looking at the student's discipline screen. The information provided is for the student's current teachers only. All information regarding suspension and expulsion is **CONFIDENTIAL**, is not to be shared with any student(s) or parent(s). Teachers are asked to secure the list so students and others may not view it.

Pursuant to Welfare & Institution Code 827(b) and Education Code 48267, the Court notifies the Superintendent of the Bright Star Schools regarding students who have engaged in certain criminal conduct. This information is forwarded to the site Principal. The site Principal is responsible for prompt notification of the student's teachers. Per Education Code 49079, this information must be kept confidential. This information is also forwarded to all administrators and the student's counselor.

# **Title IX, Harrasment, Intimidation, Discrimination, and Bullying Policy**

Discrimination, sexual harassment, harassment, intimidation, and bullying are all disruptive behaviors, which interfere with students' ability to learn, negatively affect student engagement, diminish school safety, and contribute to a hostile school environment. As such, Bright Star Schools (or the "Charter School") prohibits any acts of discrimination, sexual harassment, harassment, intimidation, and bullying altogether. This policy is inclusive of instances that occur on any area of the school campus, at school-sponsored events and activities, regardless of location, through school-owned technology, and through other electronic means.

As used in this policy, discrimination, sexual harassment, harassment, intimidation, and bullying are described as the intentional conduct, including verbal, physical, written communication or cyber-bullying, including cyber sexual bullying, based on the actual or perceived characteristics of mental or physical disability, sex (including pregnancy and related conditions, and parental status), sexual orientation, gender, gender identity, gender expression, immigration status, nationality (including national origin, country of origin, and citizenship), race or ethnicity (including ancestry, color, ethnic group identification, ethnic background, and traits historically associated with race, including, but not limited to, hair texture and protective hairstyles such as braids, locks, and twist), religion (including agnosticism and atheism), religious affiliation, medical condition, genetic information, marital status, age or association with a person or group with one or more of these actual or perceived characteristics or based on any other characteristic protected under applicable state or federal law or local ordinance. Hereafter, such actions are referred to as "misconduct prohibited by this Policy." To the extent possible, Bright Star Schools will make reasonable efforts to prevent students from being discriminated against, harassed, intimidated, and/or bullied, and will take action to investigate, respond, address and report on such behaviors in a timely manner. Bright Star Schools staff that witness acts of misconduct prohibited by this Policy will take immediate steps to intervene when safe to do so.

Moreover, Bright Star Schools will not condone or tolerate misconduct prohibited by this Policy by any employee, independent contractor or other person with whom Bright Star Schools does business, or any other individual, student, or volunteer. This Policy applies to all employee, student, or volunteer actions and relationships, regardless of position or gender. Bright Star Schools will promptly and thoroughly investigate and respond to any complaint of misconduct prohibited by this Policy in a manner that is not deliberately indifferent and will take appropriate corrective action, if warranted. Bright Star Schools complies with all applicable state and federal laws and regulations and local ordinances in its investigation of and response to reports of misconduct prohibited by this Policy.

## **Bullying and Cyberbullying Prevention Procedures**

### **Cyberbullying Prevention Procedures**

Bright Star Schools advises students:

- a. To never share passwords, personal data, or private photos online.
- b. To think about what they are doing carefully before posting and by emphasizing that comments cannot be retracted once they are posted.
- c. That personal information revealed on social media can be shared with anyone including

parents, teachers, administrators, and potential employers. Students should never reveal information that would make them uncomfortable if the world had access to it.

- d. To consider how it would feel receiving such comments before making comments about others online.

Bright Star Schools informs Charter School employees, students, and parents/guardians of Bright Star Schools' policies regarding the use of technology in and out of the classroom. Bright Star Schools encourages parents/guardians to discuss these policies with their children to ensure their children understand and comply with such policies.

## **Education**

Bright Star Schools employees cannot always be present when bullying incidents occur, so educating students about bullying is a key prevention technique to limit bullying from happening. Bright Star Schools advises students that hateful and/or demeaning behavior is inappropriate and unacceptable in our society and at Bright Star Schools and encourages students to practice compassion and respect each other.

Charter School educates students to accept all student peers regardless of protected characteristics (including but not limited to actual or perceived sexual orientation, gender identification, physical or cognitive disabilities, race, ethnicity, religion, and immigration status) and about the negative impact of bullying other students based on protected characteristics.

Bright Star Schools' bullying prevention education also discusses the differences between appropriate and inappropriate behaviors and includes sample situations to help students learn and practice appropriate behavior and to develop techniques and strategies to respond in a non-aggressive way to bullying-type behaviors. Students will also develop confidence and learn how to advocate for themselves and others, and when to go to an adult for help.

Bright Star Schools informs Bright Star Schools employees, students, and parents/guardians of this Policy and encourages parents/guardians to discuss this Policy with their children to ensure their children understand and comply with this Policy.

## **Professional Development**

Bright Star Schools annually makes available the online training module developed by the California Department of Education pursuant Education Code section 32283.5(a) to its certificated employees and all other Bright Star Schools employees who have regular interaction with students.

### 2. Reporting

At Bright Star Schools, we are committed to equitable and swift resolution of misconduct prohibited by this Policy. If you ever experience what you consider to be misconduct prohibited by this Policy, please follow any or all of these measures:

1. Let the offender know you want the behavior to stop. Be clear and direct.
2. Notify the School Counselor, or if you are uncomfortable, speak with any other adult at the school.
3. You may also complete a formal, written complaint at any time. The claim will be investigated thoroughly, involving only the necessary parties. Confidentiality will be maintained as much as possible, consistent with this Policy. A complaint form is located at the end of this Policy.

All staff are expected to provide appropriate supervision to enforce standards of conduct and, if they observe or become aware of misconduct prohibited by this Policy, to intervene when safe to do so, call for assistance, and report such incidents. The Board requires staff to follow the procedures in this policy for reporting alleged acts of misconduct prohibited by this Policy.

Any student who believes they have been subject to misconduct prohibited by this Policy or has witnessed such prohibited misconduct is encouraged to immediately report such misconduct to the Coordinator:

Leeann Yu  
Chief Operating Officer,  
[lyu@brightstarschools.org](mailto:lyu@brightstarschools.org) Bright Star Schools  
600 S. La Fayette Park Place Los Angeles, CA 90057

Complaints regarding such misconduct may also be made to the U.S. Department of Education, Office for Civil Rights. Civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders may also be available to complainants.

Bright Star Schools will investigate and respond to all oral and written reports of misconduct prohibited by this Policy in a manner that is not deliberately indifferent. Reports may be made anonymously, but formal disciplinary action cannot be based solely on an anonymous report.

Students are expected to report all incidents of misconduct prohibited by this Policy or other verbal, or physical abuses. Any student who feels they are a target of such behavior should immediately contact a teacher, counselor, the Principal, Coordinator, a staff person or a family member so that the student can get assistance in resolving the issue in a manner that is consistent with this Policy.

Bright Star Schools acknowledges and respects every individual's right to privacy. All reports shall be investigated in a manner that protects the confidentiality of the parties and the integrity of the process to the greatest extent possible. This includes keeping the identity of the reporter confidential, as appropriate, except to the extent necessary to comply with the law, carry out the investigation and/or to resolve the issue, as determined by the Coordinator or administrative designee on a case-by-case basis.

Bright Star Schools prohibits any form of retaliation against any individual who files a report or complaint, testifies, assists, participates, or refuses to participate in any investigation or proceeding related to misconduct prohibited by this Policy. Such participation or lack of participation shall not in any way affect the status, grades, or work assignments of the individual. Individuals alleging retaliation in violation of this Policy may file a grievance using the procedures set forth in this Policy. Knowingly making false statements or knowingly submitting false information during the grievance process is prohibited and may result in disciplinary action.

All supervisors of staff will receive sexual harassment training within six (6) months of their assumption of a supervisory position and will receive further training once every two (2) years thereafter. All staff, and any individual designated as a coordinator, investigator or decision-maker will receive sexual harassment training and/or instruction concerning sexual harassment as required by law.

### **3. Supportive Measures**

Upon the receipt of an informal or formal complaint of sexual harassment, the Coordinator will promptly contact the complainant to discuss the availability of supportive measures. The Coordinator will consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint of sexual harassment, and explain the process for filing a formal complaint of sexual harassment.

Supportive measures are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint of sexual harassment or where no formal complaint of sexual harassment has been filed. Such measures are designed to restore or preserve equal access to Bright Star Schools' education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or Bright Star Schools' educational environment, or deter sexual harassment. Supportive measures available to complainants and respondents may include but are not limited to counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work locations, leaves of absence, increased

security and monitoring of certain areas of the campus, and other similar measures. Bright Star Schools will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of Bright Star Schools to provide the supportive measures.

#### **4. Investigation and Response**

Upon receipt of a report of misconduct prohibited by this Policy from a student, staff member, parent, volunteer, visitor or affiliate of Bright Star Schools, the Coordinator (or administrative designee) will promptly initiate an investigation. In most cases, a thorough investigation will take no more than twenty-five (25) school days. If the Coordinator (or administrative designee) determines that an investigation will take longer than twenty-five (25) school days and needs to be delayed or extended due to good cause, the Coordinator (or administrative designee) will inform the complainant of the reasons for the delay or extension and provide an approximate date when the investigation will be complete.

At the conclusion of the investigation, the Coordinator (or administrative designee) will meet with the complainant and, to the extent possible with respect to confidentiality laws, provide the complainant with information about the investigation, including any actions necessary to resolve the incident/situation. However, the Coordinator (or administrative designee) will not reveal confidential information related to other students or employees.

For investigations of and responses to formal complaints of sexual harassment, the following grievance procedures will apply:

#### **Notice of the Allegations**

Upon receipt of a formal complaint of sexual harassment, the Coordinator will give all known parties written notice of its grievance process, including any voluntary informal resolution process. The notice will include:

- A description of the allegations of sexual harassment at issue and to the extent known, the identities of the parties involved in the incident, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident;
- A statement that the respondent is presumed not responsible for the alleged conduct until a final decision is reached;
- A statement that the parties may have an advisor of their choice, who may be an attorney, and may inspect and review evidence; and
- A statement that Bright Star Schools prohibits an individual from knowingly making false statements or knowingly submitting false information during the grievance process.

#### **Emergency Removal**

- Bright Star Schools may place a non-student employee respondent on administrative leave during the pendency of a formal complaint of sexual harassment grievance process in accordance with Bright Star Schools' policies.
- Bright Star Schools may remove a respondent from Bright Star Schools' education program or activity on an emergency basis, in accordance with Bright Star Schools' policies, provided that Bright Star Schools undertakes an individualized safety and risk analysis, determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal, and provides the respondent with notice and an opportunity to challenge the decision immediately following the removal.
- This provision may not be construed to modify any rights under the IDEA, Section 504, or the ADA.

## Informal Resolution

If a formal complaint of sexual harassment is filed, Bright Star Schools may offer a voluntary informal resolution process, such as mediation, to the parties at any time prior to reaching a determination regarding responsibility. If Bright Star Schools offers such a process, it will do the following:

- Provide the parties with advance written notice of:
  - The allegations;
  - The requirements of the voluntary informal resolution process including the circumstances under which the parties are precluded from resuming a formal complaint of sexual harassment arising from the same allegations;
  - The parties' right to withdraw from the voluntary informal resolution process and resume the grievance process at any time prior to agreeing to a resolution; and
  - Any consequences resulting from participating in the voluntary informal resolution process, including the records that will be maintained or could be shared; and
- Obtain the parties' advance voluntary, written consent to the informal resolution process.

Bright Star Schools will not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.

## Investigation Process

- The decision-maker will not be the same person(s) as the Coordinator or the investigator. Bright Star Schools shall ensure that all decision-makers and investigators do not have a conflict of interest or bias for or against complainants or respondents.
- In most cases, a thorough investigation will take no more than twenty-five (25) school days. If the investigator determines that an investigation will take longer than twenty-five (25) school days and needs to be delayed or extended due to good cause, the investigator will inform the complainant and any respondents in writing of the reasons for the delay or extension and provide an approximate date when the investigation will be complete.
- The parties will be provided with an equal opportunity to present witnesses, to inspect and review any evidence obtained that is directly related to the allegations raised, and to have an advisor present during any investigative meeting or interview.
- The parties will not be prohibited from discussing the allegations under investigation or to gather and present relevant evidence.
- A party whose participation is invited or expected at an investigative meeting or interview will receive written notice of the date, time, location, participants, and purpose of the meeting or interview with sufficient time for the party to prepare to participate.
- Prior to completion of the investigative report, Bright Star Schools will send to each party and the party's advisor, if any, a copy of the evidence subject to inspection and review, and the parties will have at least ten (10) days to submit a written response for the investigator's consideration prior to the completion of the investigation report.
- The investigator will complete an investigation report that fairly summarizes relevant evidence and send a copy of the report to each party and the party's advisor, if any, at least ten (10) days prior to the determination of responsibility.

## Dismissal of a Formal Complaint of Sexual Harassment

- If the investigation reveals that the alleged harassment did not occur in Bright Star Schools' educational program in the United States or would not constitute sexual harassment even if proved, the formal complaint with regard to that conduct must be dismissed. However, such a dismissal does not preclude action under another applicable Bright Star Schools policy.
- Bright Star Schools may dismiss a formal complaint of sexual harassment if:
  - The complainant provides a written withdrawal of the complaint to the Coordinator;
  - The respondent is no longer employed or enrolled at Bright Star Schools; or
  - The specific circumstances prevent Bright Star Schools from gathering evidence

sufficient to reach a decision on the formal complaint or the allegations therein.

- If a formal complaint of sexual harassment or any of the claims therein are dismissed, Bright Star Schools will promptly send written notice of the dismissal and the reason(s) for the dismissal simultaneously to the parties.

## Determination of Responsibility

- The standard of evidence used to determine responsibility is the preponderance of the evidence standard.
- Determinations will be based on an objective evaluation of all relevant evidence and credibility determinations will not be based on a person's status as a complainant, respondent, or witness.
- Bright Star Schools will send a written decision on the formal complaint to the complainant and respondent simultaneously that describes:
  - The allegations in the formal complaint of sexual harassment;
  - All procedural steps taken including any notifications to the parties, interviews with parties and witnesses, site visits, and methods used to gather other evidence;
  - The findings of facts supporting the determination;
  - The conclusions about the application of Bright Star Schools' code of conduct to the facts;
  - The decision and rationale for each allegation;
  - Any disciplinary sanctions the recipient imposes on the respondent, and whether remedies designed to restore or preserve equal access to the education program or activity will be provided to the complainant; and
  - The procedures and permissible bases for appeals.

## 5. Consequences

Students or employees who engage in misconduct prohibited by this Policy, knowingly make false statements or knowingly submit false information during the grievance process may be subject to disciplinary action up to and including expulsion from Bright Star Schools or termination of employment. The Coordinator is responsible for effective implementation of any remedies ordered by Bright Star Schools in response to a formal complaint of sexual harassment.

## 6. Right of Appeal

Should the reporting individual find Bright Star Schools' resolution unsatisfactory, the reporting individual may, within five (5) business days of notice of Bright Star Schools' decision or resolution, submit a written appeal to the President of the Bright Star Schools Board, who will review the investigation and render a final decision.

The following appeal rights and procedures will also apply to formal complaints of sexual harassment:

- The complainant and the respondent shall have the same appeal rights and Bright Star Schools will implement appeal procedures equally for both parties.
- Bright Star Schools will notify the other party in writing when an appeal is filed.
- The decision-maker for the appeal will give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome; issue a written decision describing the result of the appeal and the rationale for the result; and provide the written decision simultaneously to both parties.

## 7. Recordkeeping

All records related to any investigation of complaints under this Policy are maintained in a secure location. Bright Star will maintain the following records for at least seven (7) years:

- Records of each sexual harassment investigation, including any determination of responsibility; any audio or audiovisual recording or transcript; any disciplinary sanctions

- imposed on the respondent; and any remedies provided to the complainant.
- Records of any appeal of a formal sexual harassment complaint and the results of that appeal.
- Records of any informal resolution of a sexual harassment complaint and the results of that informal resolution.
- All materials used to train Title IX coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process.
- Records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment.
